ANNUAL RETURN FORM – GUIDANCE NOTES

1. Introduction

The annual return gives the Board key information about the size and activities of your firm over the last 12 months. The annual return helps your firm to demonstrate that the firm complies with the laws, regulations, ethical and professional standards relevant to the services it provides. **Submission of Annual Return Form to NBAA is mandatory to all audit firms.**

The return is organized with the confirmations and undertakings in the first section of the form, followed by sections A to Q which requires the firm to complete fully and clearly. If your answer to any question requires further clarification please give details on the return or in a covering letter. If the Board has any queries when going through your completed annual return, it may get in touch with your firm to resolve any issues. Unless otherwise stated you should provide data in the annual return as at the date set out at the top of page 1 of the return.

Make sure that you have provided the correct and reliable email address of your firm. Template of Annual return forms should be downloaded from the NBAA's website www.nbaa-tz.org

2. Data Protection

The information provided by your firm on the annual return is confidential to the Board and will not make it available to any third parties. However, the Board will use your information to carry out its responsibilities as a regulator and as a professional body. If required by a court of law, NBAA will share your information with other authorities/organizations.

3. Confirmations and Undertakings

The confirmations and undertakings remind firms of their professional obligations to the Board when completing and submitting their annual return.
