CHAPTER ONE

1.1 Foreword

The Education and Training By-laws of the Board 2014 requires every person who has obtained his/her CPA equivalent professional qualification outside Tanzania to register and sit for the examination papers that contain local contents in order to get permit to practice in Tanzania. These subjects are A5 Business Law, B4 Public Finance & Taxation I and C4 Public Finance & Taxation II. Under this condition, candidates who have pursued their bachelor degree in accounting in Tanzania and therefore studied Business Laws subject are exempted to sit for this subject. When approving the conduct of mid-examinations, the Governing Board in its 2nd extra-ordinary meeting held on 29th December 2014 allowed even the Board's examination candidates who have remained with one subject to clear their respective levels to register and sit for mid-examination session.

1.2 Objective of the report

The Report is intended to avail to trainers and candidates, the examinations' overall general performance, specific areas of weaknesses and suggestions for improvement. It is an important guide to candidates as well as trainers, setters, markers and moderators of the Board's future examinations.

Analysis of the examination performance is presented in this report. The Examiners' Report is supported by relevant statistical analysis of the candidates' performance in each examination paper.

1.3 Acknowledgement

On behalf of the Board and on my own behalf, I wish to convey my very sincere appreciation to all persons who willingly supported the Board in this demanding professional task. I am indeed particularly thankful to the Board's Examiners, Markers, Invigilators, the Board's Secretariat, the Education and Publications Committee and the Governing Board for their much-appreciated co-operation during the whole process of the NBAA's 9th Mid-session examinations.

Once again, I would like to reiterate that the Examiners' Report is prepared to help trainers and the Board's candidates to improve on their future performance by learning from previous experience. I, therefore, call upon readers of this Report to come up with constructive suggestions on how to improve further the examination process and reports arising therein.

Yours sincerely,

CPA. Pius A. Maneno
EXECUTIVE DIRECTOR
